I have it on my calendar. I put down 2 pm. Is that ok?

Looking forward to it. As I don't know much about it I am hoping it will help me put it into focus.

Thanks,  
Sara

Hi Sara,  
Just wanted to remind you about our ham radio display at Crockett Park this weekend. I look forward to seeing you there. If you have a specific time planned let me know so I don't go off on an errand somewhere.

Regards,  
Mark Lindsey

...and she came and visited for several hours.

We assert we qualify for these bonus points as Sara responded positively to our invitation to Field Day, hung out with us for hours and learned a lot about amateur radio and how it might help the Fauquier Fire and Rescue Department.
