

7-3-13 GOTA Bonus

GOTA is a big deal for us and we certainly had plenty of activity.

7.3.13.1

Figure 1 shows four operators who made more than twenty QSOs at the GOTA station including a 9 year old Dylan – Figure 3. One operator, Dan, did this twice for 40 bonus points. The “Warrenton Radio Club” is one or more unidentified participants who logged in as simply the KW4VA call and, thus, does not count. We claim 80 points.

7.3.13.2

The GOTA station was supervised for every QSO by several GOTA Coaches. Figure 2 shows the coaches who volunteered to cover the GOTA station before Field Day started. Many more GOTA Coaches were on hand as Field Day unfolded. We are very serious about our GOTA operation and we treat our guests with extra special care. Again the unidentified Warrenton Radio Club points are disqualified.

We assert we qualify for 80 GOTA Operator Bonus plus the Double Bonus for a total of 160 points.

John Huggins and Kyle Fox
